Reminders		Chorus Concert 6pm		
Parent Signature/ Comments				

Parents, Be sure to sign that your child has completed his/her homework!

Parent Notes:

With such nice temperatures, it's hard to believe this is the last week of school before we go on winter break! This week will be very busy as we try to finish up projects and everything else that goes with the week before Christmas.

Students have been working very hard on their Santa research projects. We will work on them again tomorrow morning for about 30 minutes. They must be finished by Wednesday morning so that students can start presenting them. Please have your child show you what they have so far-they must have all work cited (this has been the most difficult part). Do **NOT** do your child's project, but you may assist him/her with the citation section.

Thursday afternoon, we will have some holiday treats. If you signed up to bring in items, please be sure you send them in by Thursday morning. On Friday, we will have our gift exchange. Please remember we will be playing a game with the gifts so they need to be unisex gifts, no more than \$5.

All work must be turned in by Friday so I can do grades over break. No work will be accepted after Friday, so be sure it is taken care of. Friday is also a Noon Dismissal for staff and students. Don't forget our class Wish Tree in in the main hallway.

If your child has not mastered multiplication/division facts-be sure they are practicing over break!! All students are expected to be experts when we return January 8th!

Wishing you all a very Merry Christmas and a Happy New Year!
Mrs. Sanders
