Parent Signature/ Comments				

Parents, Be sure to sign that your child has completed his/her homework!

Spelling Words: that's, she'd, they've, weren't, doesn't, isn't, wouldn't, wasn't, aren't, we're, you'd, don't, I'm, hadn't, haven't, didn't, shouldn't, let's, couldn't, they'll

Parent Notes:

Here's to another crazy week! Our class had our shopping time for Santa Shop this morning. If your child forgot money and would like to make a purchase, please be sure to send it in. I can't guarantee what time or day they will go, but they will have a chance to go.

We have been working hard on an online Santa project. This will continue until we go on break (it will be completed by Dec. 14 so students can share with their classmates). We will continue with NC History, Fractions and Energy.

On Tuesday, December 11th, 4th grade will have Bear Club. Your child will know if they will be participating the day before. Students who earn Bear Club for this quarter be making various Christmas ornaments. To earn Bear Club this quarter, students can have no more than 2 oops (behavior or hw not complete).

Wednesday, December 12th, 4th grade teachers will have extended planning to prepare for the third quarter. If you are able to help keep the class that day, please let me know ASAP.

From the surveys I received back, 99% were in favor of the students doing a gift exchange. We will do a fun game with the exchange, so please plan to purchase something less than \$5 that a boy or girl would like. We will plan to do this on Friday, December 14th. This is our last day before Christmas break-also a noon dismissal. If you have any questions or concerns, please let me know.

Mrs. Sanders

****When the math hw was sent to be copied, it was stapled together. I am sending the entire packet on Monday. Students can leave the packet stapled together, just be sure it comes back to school so it can be reviewed.**
